

SIA VMF LATVIA list of services and tariffs 2026 (effective from 01.10.2025)

SERVICES	Description of service	Tariff EUR (not included VAT)					
		Day h (6-22)	Night h (22-6)	Holidays h	m3	unit	km
1. Individual measurement							
1.1. Individual measurement with automatic device, stationary place	VMF KR P 004.10	31.60	40.20	50.60			
1.2. Individual measurement with automatic device, mobile place	VMF KR P 004.10	35.20	43.60	52.00			
1.3. Individual measurement with hand tools, by demand	VMF KR P 004.13	42.60	63.90	85.20			
Additional services to individual measurement							
1. Extra calibration of automatic measuring device	VMF KR P 004.10	27.11	40.67	54.21			
2. Initial check and calibration of automatic measuring device						3000.00 (for one device)	
2. Stack measurement							
2.1. Stack measurement, stationary place	VMF KR P 004.14	32.90	42.40	51.90			
2.2. Stack measurement, by demand (inventarisation)**	VMF KR P 004.14	40.00	59.00	79.00			
2.3. Stack measurement, port terminals	VMF KR P 004.14	34.60	43.90	53.30			
2.4. Stack measurement - outgoing wood	VMF KR P 004.14	33.00	49.00	65.00			
2.4.1. Additional fee for stack measurement, in accordance with BIOMETRIA's authorized measurement and pulpwood quality determination requirements*****					0.03		
2.5.1. Stack measurement, photo method	VMF KR P 004.16				0.30		
2.5.2. Stack measurement, photo method (accelerated preparation of Measurement Report)	VMF KR P 004.16				0.40		
2.6.1. Stack measurement with automatic device (wood chips)	VMF KR P 004.19				0.27		
2.6.2. Stack measurement with automatic device (round wood)	VMF KR P 004.19				0.27		
2.7. Wood chip fractionation**	VMF KR P 004.14	31.00	46.00	62.00			
2.8. Stack measurement using drone photogrammetry***	VMF KR P 004.20	230.00					
Additional services to stack measurement							
1. Wood chips sampling and preparing for testing	VMF KR P 004.14	33.00	49.00	65.00			
2. Determination of moisture content (1 sample)	VMF KR P 004.14					12.00	
3. Determination of ash content (1 sample)*	VMF KR P 004.14					45.00	
4. Determination of calorific value (1 sample)*	VMF KR P 004.14					70.00	
5. Determination of bulk density (1 sample)*	VMF KR P 004.14					30.00	
6. Fractional distribution (1 sample)*	VMF KR P 004.14					40.00	
7. Determination of CHNS content (1 sample)*						70.00	
8. Dry matter content (1 sample)*						10.00	
9. Size distribution (1 sample)*						30.00	
10. Determination of bark content (1 sample)*	VMF KR P 004.14					35.00	
11. Round wood control measurements	VMF KR P 004.14	33.00	49.00	65.00			
12. Draft survey (1 vessel)*						līdz 645.00	
13. Measurement Report preparation when determining volume with automatic measuring devices****	VMF KR P 004.17				0.03	250.00 (per device per month)	
3. Measurement system control of round wood harvesting equipment		50.00					
4. Other services							
4.1. Re-measurement of volume	VMF PR P 8.4.01.03					250.00-300.00	
4.2. Consultation		60.00					
4.3. Manual Measurement Report preparation		50.00					
5. Special orders							
5.1. Driving to measurement place (driving time and km)		20.00					0.45

* The cost of the service depends on the price list of the subcontractor's services, which it determines individually, and which must be taken into account when calculating the total cost

** If it is not included in basic service

*** The service is applicable together with 5.1. service

**** Agreeing on the payment terms (per m3 or per device) during the contract period

***** The service is applicable together with 2.4. service
